CENTRAL KITCHEN, REPEATABLE EXCELLENCE

A house of chefs, a Central Kitchen.

ORIGIN by NABATE is NABATE's professional offer. It gives restaurants, hotels, cafés and caterers access to a Central Kitchen built for one thing: repeatable excellence.

Every recipe is written and validated by a chef. Every delivery must match the last. That consistency, without ever giving up the artisan's hand, is what we put at your service.

The name NABATE comes from an Arabic root meaning to sprout, to grow, to hand down. ORIGIN is its promise: the origin of a quality you can reproduce, day after day.
